EDUCATION

University of Delaware

Newark, DE

Bachelor of Science in Computer Science, Mathematics, Minor in Economics

May 2028

- Relevant Coursework: Data Structures & Algorithms, Systems Programming, Machine Organization and Assembly Language, Linear Algebra, Automata Theory, Calculus III, Intro to SWE
- GPA: 4.0, Honors

EXPERIENCE

Best Egg

Wilmington, DE

Software Engineer Intern

May 2026 – August 2026

- **Shipped an AWS Lambda + Terraform stack** for automated DynamoDB cleanup: wrote retention logic, wired IAM + EventBridge cron scheduling, and validated across environments.
- Designed and implemented an **on-time delivery metric** for affiliate loan reports, with a Python classifier that queries **PostgreSQL EEV events**, handles daily/weekly/monthly SLAs, and excludes manual debut runs and re-runs.

JPMorganChase

Wilmington, DE

Software Engineer Consultant

May 2025 – August 2025

- Developed an **AWS Lambda** function in Python to automate payment reconciliation workflows, **reducing manual processing time by 35%** and improving transaction accuracy.
- Built and configured the Lambda using **Jules**, then deployed it via **Spinnaker** using CI/CD best practices to ensure secure, reliable production releases.

Community Powered Federal Credit Union

Bear, DE

Member Services Representative

June 2022 – September 2024

- Delivered frontline financial services to an average of **50+ members daily**, managing transactions, account openings, and loan processing with **100% accuracy**.
- Guided members through **digital banking platforms** and mobile applications, increasing online engagement and reducing in-branch wait times.

Cybersecurity Intern

September 2024 – May 2025

- Configured and maintained **Cisco Meraki** routers, firewalls, and access points, optimizing network segmentation and improving system security posture.
- Assisted in developing **incident response and disaster recovery playbooks**, ensuring preparedness for ransomware, phishing, and insider threat scenarios.

ACTIVITIES

Kamaal | Bollywood Dance Team at the University of Delaware

September 2024 – Present

- Practiced Bollywood dance six hours a week in a team setting to perform throughout the year.

Delta Kappa Epsilon | Fraternity at University of Delaware

September 2024 – Present

- Recruitment Chair (Spring '25), founded and doubled chapter size from 8 to 20 in one year.
- Health and Safety Chair (Spring '26), oversaw risk management policies and event compliance, ensuring safety standards while supporting smooth chapter operations.

Sensify Lab | VIP Research Assistant

January 2025 – Present

- Built and iterated on prompt-engineered LLM workflows and UI components to support research-driven applications.

TECHNICAL SKILLS

Languages: Python, C, C++, Java, TypeScript, JavaScript, HTML, CSS

Frameworks: React, Node.js

Cloud/Infrastructure: AWS, Lambda, S3, DynamoDB, Terraform

Developer Tools: GitHub, Cursor, PostgreSQL, Datadog, Octo, Postman

CERTIFICATIONS & AWARDS

AWS Certified Cloud Practitioner – Amazon Web Services (2025)

Best Automation Systems & Public Infrastructure Hack – HenHacks – **1st of 40+ teams** (2026)
